Getting Started in Real Estate Guide

Steps to beginning a career in real estate:

1. Complete the contact form on century21.com and we will have a local broker contact you.

2. Register and successfully complete the real estate pre-licensing course for your state.

3. Schedule and pass your state real estate licensing test.

4. Affiliate with a local real estate broker.

Note: *Guidelines and pre-requisites vary State by State. Please contact one of our local brokers for additional information specific to your State.*
